

Mobile Printing Now Available at Perrot

With our new mobile printing service, you can now send documents to our public printer directly from your laptop or mobile device!

How to print from a laptop or desktop computer:

- Visit the following website:
<http://www.printeron.net/pml/soundbeachavenue>
- Select the printer and enter your email address
- Browse your computer to find and select the file you wish to print
- Click the green print icon (you will see the status of your print job and a reference number)
- Provide your email address at the Reference Desk or Youth Services Desk to identify your print job
- Pay for your print job (cost is 10¢/page)

Print from your laptop or desktop computer

Your print job will be printed!

How to print from tablet or smartphone app:

- Visit your device's store for apps. Search for and install the (free) PrinterOn App
- Open the app
- Click "No printer selected"
- Click "Search". Search for "perrot"
- Click on "PML Sound Beach Avenue- Black and White Printer"
- To print:
 - Documents: when viewing the document, click in the upper right corner and upload the document to the PrinterOn App
 - Photos from your phone: open the app, click on "photo" and select a photo to print
 - Select the printer and click the print icon
 - Enter an email address and click on the check mark (you will receive a notice that the job started, and shortly after another message stating "Job Success")
 - Provide your email address at the Reference Desk or Youth Services Desk to identify your print job
 - Pay for your print job (cost is 10¢/page)
