

# Cosmos

## *Versailles Mix\**

Strong stems with 2 ½" blooms

Colors: blush pink, pure white, carmine red,  
and pink with a deep pink eye

PERROT MEMORIAL LIBRARY  
**Seed Library**

*in partnership with*

### **\*Planting:**

Full sun.

Well-drained soil.

Direct sow after the last frost, covering seeds  
lightly with soil. Pinch to encourage branching

Plant 9-12" apart (wider spacing creates  
stronger stems)

Grows to 3ft height

### **\*Harvest:**

90-110 days till fully grown
