in partnership with

Planting*:

Start indoors 6-8 weeks before last frost.

Transplant after soil warms; provide support.

Harvest*:

80-90 days from transplant

Harvest when fully colored and gently soft.

Thomas Jefferson and George Washington were tomato enthusiasts! Brandywine is the oldest heirloom variety available.

Tomatoes are native to the Americas.

*Johnny's Seed Co. For more information, visit [Brandywine Tomato](#).

Seeds graciously donated by The Garden Club of Old Greenwich.
